**Am C G Em**  
It started on the perfect night  
**Am C G Em**  
There were stars above everything was fairytale-like  
**Am C**  
So she thought I'll seize the moment  
**G Em**  
Have some fun then say goodbye to him  
**Am C G Em**  
She didn't know it was the first night of the end

Oh

**Am C G**  
Things will never be the same  
**Em Am**  
For the girl from Tokyo  
**C G**  
No one ever sees the pain  
**Em Am**  
Of the girl from Tokyo  
**Am C G**  
Things will never be the same  
**Em Am**  
For the girl from Tokyo  
**C G**

Tokyo...Tokyo...  
**C G Em Am**  
Tokyo...Tokyo...

**Am C G Em**  
A three letter raven in his touch  
**Am C G Em**  
Funny how it'd give a stranger so much trust  
**Am C G**  
She forgot his name but not his face  
**Em Am**  
A ghost from the past to share her fate  
**C G Em**  
And now one night controls her days

Oh

**Am C G**  
Things will never be the same  
**Em Am**  
For the girl from Tokyo  
**C G**  
No one ever sees the pain  
**Em Am**  
Of the girl from Tokyo  
**C**  
Did you ever feel alone  
**G Em**
