

## Killing Me DJ\*

Have you ever loved so hard it killed you?  
Risky everything you have just to lose it all?  
But if you  
Could turn back time  
Would you do it again?

G                      D                      Em                      Am                      D  
I'm gonna burn your letters in the morning  
G                      D                      Em                      Am                      D  
Put all our faded pictures in a box  
Em                      G                      Em  
But till then  
G                      Am  
I just need my time  
C                      D  
Before I face the end

G                      D                      Em  
Killing me DJ with another sad song  
G                      D                      Em                      G  
Killing me DJ with another sad love song  
Em  
I'm ten feet under now  
Am                      C  
Singing whoah whoah yeah yeah  
G                      D                      Em  
Killing me DJ with another sad song  
G                      D                      Em                      G  
Killing me DJ with another sad love song  
Em  
I'm ten feet under now  
Am                      C  
Singing whoah whoah yeah yeah

G                      D                      Em                      Am                      D  
No one said the best loves last forever  
G                      D                      Em                      Am                      D  
But even the strong ones need to cry  
Em                      G                      Em  
And I know

G Am  
It just takes some time  
C D  
For a heart to mend

G D Em  
Killing me DJ with another sad song  
G D Em G  
Killing me DJ with another sad love song  
Em

I'm ten feet under now  
Am C D  
Singing whoah whoah yeah yeah  
G D Em  
Killing me DJ with another sad song  
G D Em G  
Killing me DJ with another sad love song  
Em

I'm ten feet under now  
Am C D  
Singing whoah whoah yeah yeah

G D Em  
Yahee yayahee yahio  
G Em  
If I could turn back time  
Am D

I would do it again  
G D Em  
Yahee yayahee yahio  
G Em  
If I could turn back time  
Am D

I would do it again  
G  
I would do it again.

G D Em Am D  
Another mistake for me to live through  
G D Em Am D  
But I already knew that heroes fall  
Em G Em  
If I

G Am  
Could turn back time  
C D  
I would do it again

G D Em  
Killing me DJ with another sad song

G D Em G  
Killing me DJ with another sad love song  
Em

I'm ten feet under now

Killing me DJ with another sad song

G D Em G  
Killing me DJ with another sad love song  
Em

I'm ten feet under now

Am C  
Singing whoah whoah yeah yeah

N.C

Killing me DJ with another sad song  
Killing me DJ with another sad love song  
I'm ten feet under now  
Singing whoah whoah yeah yeah

G D Em  
Killing me DJ with another sad song  
G D Em G  
Killing me DJ with another sad love song  
Em

I'm ten feet under now

Am C D  
Singing whoah whoah yeah

G  
Just give me some time.

***\*Vhari's Note: Before anyone comes back and complains re: lyrics to this, I have taken the Raw Treasures version as it was easier to hear where chord changes would have taken place***
