This year I won't give in to my old friend the holiday blues
 G Em
And when I go home I won't let myself
Am D
Eat too much or argue with my mother
G Em G Em
New Year's Eve I won't be sad and be jealous of all the happy couples
G Em Am D
This year I'll grow up and I'll get over you

I won't be victimized
G Em
By Christmas sales or 2-4-1 offers

G Em
Won't max out my credit card
Am D
And then convince myself that I deserve to
G Em
Won't be the fool at the office party
G Em
Drink too much because I'm single
G Em
And this year I promise to
Am D
Finally get over you

G D Em
This Christmas I'll try to be good
G Em
No new year's champagne headaches
